FRIENDS ON THE HARBOR

Presented by

LBFE BOSTON

(Little Brothers – Friends of the Elderly)

Join us for an evening of dinner, live music, dancing, and special guests to celebrate and benefit LBFE Boston and our mission to end isolation among older adults living in public/affordable housing through intergenerational programs.

Attend *Friends on the Harbor* and help older adults like –

Dana,
who discovered online communities and music through Digital Dividends. His favorite part? The weekly classes with his new friends.

Lillian,
who shared her life story with a Northeastern student and was able to record her memoir in writing.
