

FRIENDS ON THE HARBOR

GALA, SEPT. 21, 2023, 6–8:30PM
HYATT REGENCY, BOSTON HARBOR

Join 150+ Boston area professionals for a night of dinner, dancing, and special guests to support and celebrate the work of LBFE Boston.

IN-KIND DONATION REQUEST

The need for social connectedness has never been greater and your company can be part of one of the solutions! Since 1979, LBFE Boston | Little Brothers-Friends of the Elderly's mission has been to end elder loneliness and isolation in Boston. Our nonprofit offers social engagement opportunities, digital literacy, and creative arts classes to hundreds of older adults in public and affordable housing and senior centers each year. Here, they connect with local students, enjoy activities together, share life experiences, learn from one another, and grow mutually beneficial, joyful intergenerational friendships.

Towards that end, we kindly ask for your participation with an in-kind donation to the raffles/silent auction at our biggest fundraiser of the year! *Friends on the Harbor* will be held on September 21, 2023, at the Hyatt Regency Boston Harbor where more than 150 Boston area professionals will gather for an evening of dinner, dancing, music, and special guests.

We believe in the dignity of all older adults. **Your in-kind donation will ensure isolated older adults know that they are never alone and are better connected with family, friends, one another, and their communities.** It will help us sustain and expand our three flagship programs, CitySites, Digital Dividends, and Creative Connections, and continue to bring classes, AT NO COST, to isolated older adults in Boston.

Please email (gala@littlebrothers.org) with any questions. Donations may be sent directly to our office at the address below or to email by September 1, 2023. Please include the value of the item, and to whom and where an acknowledgment should be sent. Your donation will also be recognized on our social media channels, event program, and website!

Thank you, once again, for supporting LBFE Boston's mission and our 2023 *Friends on the Harbor* gala.
